Pembrokeshire County Swimming
County Championships 2023

Chairman's welcome

After the awesome return of this event last year, I'm so pleased to welcome you back for yet another improved Pembrokeshire County Championships! We've targeted peak excitement and volume in previous years but with an optimised schedule, we are confident this year will take it a step further!

Thank you for your contribution to the event, as supporters, and also to local swimming in general. Every drop of effort you give to help swimmers in our county thrive is appreciated. Thank you for making a difference for every swimmer you support in any way.

Once again I urge you to celebrate the excellent progress made by swimmers since last year's event. You don't have to pay much attention to notice the successes and opportunities around us; Pembrokeshire swimmers have done exceptionally well and have so much to be thankful for. There is vital work going on in PCS squads and in every development club, developing each swimmer, and ideally fostering a lifelong love of the sport. Performance swimming is another level but I hope every swimmer can enjoy this weekend whichever level they are at. Giving your best is always to be celebrated. On that note, a special thanks goes to the volunteers giving their time to make this event happen and to a greater extent, the volunteers and professionals combining on a daily basis throughout the year to help swimming across Pembrokeshire be the best it can be.

Thank you to Craig Nelson and Nick Russell for steering the county in the right direction but also for continuing to embrace and foster such a positive and competitive environment in Pembrokeshire swimming. The recent competition against Swansea and this championships will undoubtedly be highlights of the year for many of our swimmers. I'm hopeful that we will see even more team events between now and next year's county champs!

Once again the swimmers are able to enjoy this event thanks to the brilliant team of volunteers running the show. We appreciate you all. Thank you to our events man, Gareth Bennett for leading the way and continually striving to make improvements for us.

My final thanks are for the generous event sponsors: thank you to every sponsor for contributing to make our special event possible. In addition, thank you to the Haverfordwest Swimming Pool Trust for funding our new timing pads. With these, we can continue to hold top quality events with the latest equipment for the benefit of our swimmers and others in the region.

Before I conclude, if you are reading this and think you have any time to offer in support of Pembrokeshire swimming, please contact us and/or your development club. Every volunteer helps to spread the workload so that we can improve faster and offer more to each swimmer. If you can offer something, please make contact as soon as you can.

Best wishes to everyone for another awesome weekend. Let's celebrate the best efforts of every swimmer throughout the meet.

Matthew Lewis - Chairman of Pembrokeshire County Swimming
